

# Literature Circles

We will be working in literature circles for the next four weeks. During this time you will be responsible for:

- Reading your assigned pages before your group discussion.
- Have five entries completed in your Highlight and Revisit form to bring with you to your group discussion. (20 points)
- Fill out a Literature Circle Evaluation form after each group discussion. (10 points)
- Complete your assigned tasks on the Literature Circle Extension Project.

Use the space below and on the back of this page to jot down notes on your goals as a group.
