Educational Resources on Québec

Québec Workshop at UW – Fifth Edition
October 2009

Canadian Studies Center
University of Washington, Seattle
Saturday, May 31, 2008

Document prepared by
Thierry Giasson, Ph.D
Département d’information et de communication
Université Laval
This document was produced as a follow-up tool for participants to the Québec Workshop. It includes a list of pedagogical and educational resources selected to help the participating educators find classroom activities, factual information or references on Québec.

We sincerely hope the workshop will stimulate your interest in Québec even more and that it will be helpful in providing you with interesting ideas to make Québec’s politics, culture and society integral parts of your French classes.

Au plaisir,

Thierry Giasson
