

# Course List: Autumn 2009

The following is a listing of Canadian Studies and Canadian content courses offered in Autumn Quarter 2009. Students should check individual departments and the online Time Schedule for changes, departmental requirements for enrollment, SLN numbers, location and updated descriptions.

See <http://www.washington.edu/students/crscat/>. To make an advising appointment, contact the Canadian Studies Student Advisor, Linda Iltis, at (206) 543-6001 or [iltis@u.washington.edu](mailto:iltis@u.washington.edu)

*Students in the 2009 International Studies Program Task Force on Arctic Sovereignty, visit the US Coast Guard Healy. The Healy did three cruises in the Arctic this last summer. Two of the cruises brought together US and Canadian scientists who worked collaboratively to measure the continental shelf off of the Arctic coast.*

## College of Arts and Sciences

### **American Ethnic Studies**

**AAS 370**

Japanese-American History and Culture (5)

T. Kashima

Historical roots and subsequent changes in the Japanese-American group examined through an interdisciplinary approach with some emphasis on Japanese-Canadians.

## American Indian Studies

**AIS 102** Survey of American Indian Studies (5) T. Colonnese

This course covers the "peopling of the Americas," the archeology and anthropology of Canada and the US and the foundations of stereotypes about Native peoples

**AIS 230** Contemporary Indians, Gaming and Casinos (5) M. Wright

Economies in aboriginal communities including Canada.

**AIS 270 / SISCA 490** Pacific Northwest Natives (5) C. Coté

This course introduces students to the indigenous cultures of the Pacific Northwest.

**AIS 331 / HSTAA 331** American Indian History to 1840 (5) A. Harmon

Includes both Canadian and US histories.

**AIS 443 / COM 443** Indigenous Films, Sovereign Visions(5) D. Hart

Explores fiction, documentary, experimental film, and digital media from indigenous artists from around the world with significant focus on Canadian aboriginal filmmakers.

**AIS 475** Special Topics Indian Studies: Advance Native Voices (5) D. Hart

Explores theoretical, methodological and aesthetic issues in documentary film production in Canada and the US.

## Anthropology

**ANTH 331 / ART H 331** Native Art of the Pacific Northwest Coast (5) R. Wright

An understanding of the history of the arts and cultures of the indigenous Pacific Northwest Coast peoples, and skills which will enhance the appreciation of these arts and the ability to recognize different tribal and individual artists' styles.
