

# NBIS BUSINESS LEADERS FORUM

## SUSTAINABLE DEVELOPMENT AND INNOVATION IN THE 2010 WINTER OLYMPICS

FEBRUARY 6, 2008 *at* THE PAN PACIFIC HOTEL, SEATTLE  
HOSTED *by* NBIS (*Network for Business Innovation & Sustainability*)

*The facilities being constructed for the 2010 Olympic and Paralympic Winter Games demonstrate some of the most innovative community planning and sustainable development projects anywhere. They illustrate use of innovative technologies, green building concepts and materials, and community planning processes for sustainable development. This forum and discussion is presented by representatives from the following three projects. Please visit [nbis.org](http://nbis.org) for more information.*
