

# International Negotiations/EU Policy & Simulation Country Priorities Paper Worksheet

**pri-or-i-ty** n. *pl. pri-or-i-ties*

*Status or precedence, especially established by order of importance or urgency.*

Country: \_\_\_\_\_

## Policy Areas:

Defense/Security

Membership/Brexit

Immigration

Agriculture

Environment

## Questions for each area:

- Is this area a priority for my country? How can I tell? Where does it rank versus other policy areas?
- What is the budget for this activity?
- What is my country trying to accomplish now? Initiatives, projects, goals? Budgets for each?
- Why did my country choose these things to prioritize, instead of others?
- What are the challenges?
- On a scale of 1-10, how well is my country doing in achieving its goals in this area?

Sketch out answers to each of these questions, and then assemble it into a brief discussion of your country's policy priorities in paragraph form.

**This paper is due Monday, October 14 at the beginning of class.** MAX length is 4 pages, single spaced, plus bibliography/cited list.

Be sure to cite any sources of specific data, quotes, or other information used verbatim, as you would in any formal paper.
