Launch or crown your Husky career with a challenging global experience in your own backyard! You don’t have to study abroad to begin experiencing the world. The Jackson School offers excellent introductory and in-depth courses about all the regions of the world from Africa to Latin America, Canada, the Arctic, Europe, Russia, Middle East and Asia. Pair world language courses with a related region, or study about World Religions, Jewish Cultural History, or interdisciplinary Global Issues! No prerequisites. Satisfy Areas of Knowledge or foreign language requirements by expanding your awareness of world connections and diversity. For complete lists of current JSIS program course offerings, see: JSIS Courses Autumn 2013
