### Original Request...

quiero denunciar a la empresa GIO por tratarnos menos que a un perro con esas comidas que estan dando! solo nos dan comidas en estado de descomposicion y siempre dan lo mismo, frijoles,y repollo cosido! y cuando dan carne! ..es carne descompuesta ya en estado de descompocion!..la gente no se quiere quejar porque tienen miedo a qe esto les afecte sus casos actuales de inmigracion! considero que es un atropello a la dignidad lo que esta enmpreza GIO esta haciendo al tratarnos de sta forma!

### Translated version using machine translation...

I want to denounce the company GIO for less than a dog treat us with those foods that are giving! just give us food in a State of decomposition and always give the same, beans, and stitched cabbage! and when dan meat!... It is meat decomposed already in a State of descompocion!... people do not want to complain because they have fear of qe this affects their current cases of immigration! I believe that it is an infringement of the dignity that this enmpreza GIO this doing to treat us STA form!
