Translated by RN (b)(6); (b)(7)(C) I have alot of coughing. Last night I was in the clinic and also in the AM and they did not give me anything. I drank water and my chest and throat and head hurt a lot. I don't know what else to do, I can't sleep. I feel like I am drowning and I don't want to be like this I need medicine because I am like this.

This is not a grievance. Please go to sick call for all medical, dental and mental health issues. Sick call is every morning at 0530 hours. Thank you.
