### Original Request...

on 2/18/16 I was in intake and I got sick which ended with me going to the hispital I let (b)(6); (b)(7)(C) know that I was having medical issues and all eh could do is worry at the fact that I was hitting the window in order to ger someones attention the he rold me that I didn't have an apppoint for med s I was going back to my pod. I kept banging the window and he kep refussing me medical treatment it didnt matter how hard I tried he wouldn't help me I also asked officer (b)(6); (b)(7)(C) and she refused me as well

Response by (b)(6); (b)(7)(C) on **02/19/2016 at 10:05 AM**
