Original Request...

I am still having problems with getting onions in meals and someone in the kitchen has taken it upon themselves to change my meals to contain more eggs than when i take medication for my cholesterol at one point i have gotten penut butter and rice for lunc I have tried to address this with GEO but it is clear that they dont care about this issue so now I am coming to ICE with it I need help with this issue it been going on for months now and they are playin with my health and life

Response by **DO.** (b)(6); (b)(7)(C) on **04/20/2016 at 3:44 PM**

There is a 3 level grievance procedure. GEO needs to elevate the grievance you filed if it has not been resolved.
