**Subject:** RE: [REDACTED]

Based on his criminal history, and immigration history and the time hack to get to a scanner to verify , we can let this guy walk. We know where the address is [REDACTED] in Pasco.

I gave Davey Ruiz a heads' up as well so he is tracking.

Also please call this number for the duty officer 509-[REDACTED] through the rest of the week end.

SDDO White for your SA.
