Tony,

Please let us know what time you would like to meet on Thursday and if you would like to have it here or at your office.

Just as a heads up, 8 USC 1373 and a 2012 case ARIZONA et al. v. UNITED STATES are the two examples we have found which contradict the state law regarding cooperation and information sharing. We can discuss in further detail on Thursday.

Are you both able to meet this coming week? Possibly Thursday afternoon? If possible could you also research any federal laws which may help contradict the states law for sanctuary state.
