RE: Annual Statement of Compliance Required per #7798/K18262-8

To Whom it May Concern:

This letter is to satisfy the contractual requirement for an Annual Statement of Compliance. The Washington State Patrol has completed an assessment of our compliance with the Data Licensing Agreement, K6218-01/K7798-02, in place between WSP and the Department of Licensing (DOL). We are in full compliance with the Privacy, Data Security, Permissible Use, and Subrecipient Requirements of the agreement.

The Washington State Patrol maintains an updated list of all subrecipients. In the event the Department of Licensing needs additional details about a specific subrecipient, the Washington State Patrol is committed to providing a timely response.
