

JACKSON SCHOOL OF INTERNATIONAL STUDIES MA SUPERVISORY COMMITTEE FORM

The main purpose of the Supervisory Committee is to advise students in the final stages of their program. The members serve as the student's consultants on their final paper(s) and as examiners during the oral exam. The purpose of this form is to ensure that a student's choice of fields and faculty are acceptable to the Graduate Program Coordinator and also to confirm committee members' willingness to serve on the committee.

In order to complete this form, you must first read the Final Degree Requirements for the supervisory committee and final papers that are written in the program handbook.
