

QUAL Concentration Checklist

Graduate and doctoral students at UW interested in completing the QUAL Concentration need to fill out and submit a planning form based on which the QUAL Steering Committee will determine eligibility for the Concentration. When all requirements are completed, students must submit this checklist form to qual@uw.edu. The QUAL Steering Committee will review and approve the checklist to grant the student QUAL Concentration completion and issue them a letter of recognition. Students must **attach** the following when submitting this completed form:
