QUARTERLY PROGRESS REVIEW (QPR)

As a doctoral student in the JSIS Ph.D. Program, you are required to file a QPR for Autumn and Winter Quarters in Year 1. On this policy please acquaint yourself with the section on "Mentoring of Doctoral Students and Candidates," in the Ph.D. Program *Student Handbook,* available via the COMMONS and also online at http://jsis.washington.edu/phd/. Please fill out this form and send it to your Faculty Advisor (FA) who will then also provide a brief evaluation of your academic progress. A QPR for any quarter should be filed by or before the first day of classes of the following quarter.

In order to meet this deadline, it is the responsibility of the student to get the QPR to the FA or Chair in a timely manner. The Ph.D. Program requires an electronic copy of the QPR, and FAs should mail the completed QPR to jsisphd@uw.edu by the deadline. Please note that where your name is required typing in your name represents your signature.
