

# QUALITATIVE MULTI-METHOD RESEARCH PROGRAM

## CONCENTRATION REQUIREMENTS

\*\*For students who registered for the concentration before March 2020.

To attain the QUAL concentration certification, students must complete the following:

- Take a minimum of 3 advanced courses at the 500-level in relevant research design and/or methods (minimum of 9 credits) and receive a minimum of 3.5 in each courses. A list of [upcoming QUAL courses](#) and [previously taught QUAL courses](#) can be found on our website.
  - At least 1 course must be selected from List I
  - Remaining 2 courses can be selected from List 1 or List II
  - If you believe a course you have taken or plan to take should qualify for the QUAL concentration, you can petition the steering committee by contacting [qual@uw.edu](mailto:qual@uw.edu).
  - If we have added a course to the concentration after March 2020 and not posted it on List I or List II, please contact [qual@uw.edu](mailto:qual@uw.edu) for assistance.
- Complete [1 Qualitative Data Analysis Training](#).
- Attend a minimum of [5 QUAL Speaker Series](#) talks.
