

Horn of Africa

"Interconnected" by Yeggy Michael, 2007

University of Washington's Horn of Africa Initiative September 2019 - June 2020

Featuring lectures, presentations, films, and a new undergraduate course, exploring and celebrating the histories, languages, visual cultures, and literary traditions of Ethiopia, Somalia, Eritrea, and Djibouti, and the diaspora communities of the Pacific Northwest.

For more information, see the project website:
